

Where can the repair take place?

Repairs can be done at many convenient locations including your home, place of work or a partner organisation.

A suitable repair place will include :

- ✓ Access to power within 20 meters
- ✓ Garages and private car ports
- ✓ 2.5m around the vehicle to ensure doors can all open

We are unable to repair vehicles on the street, in basements, or in underground car parks.

How It Works

Our booking and repairs system is quick and easy.

- 1 **Log on to clippedassist.co.nz**
- 2 **Request a repair quote and upload photos of the damage**
- 3 **A Clipped Assist member will review and may provide you with a repair quote**
- 4 **If you accept the repair quote, we will contact you with a time and place convenient for your repair with one of our qualified technicians.**
- 5 **Job complete, invoice and repair warranty emailed on the day**

** Clipped Assist offers cost effective repairs for members, however the low repair fee can change from time to time. The most current repair fee along with the full membership terms and conditions can be viewed on the Clipped Assist website (clippedassist.co.nz). This membership is not an insurance product or a replacement for any type of insurance product.
